our mission

The mission of Encinitas Friends of the Arts (EFA) is to partner with the City of Encinitas by fundraising and advocating for the cultural arts in Encinitas, and a city-owned arts center.

Established in 2014, EFA is helping the city of Encinitas to blossom as a cultural arts hub for the greater North County San Diego area. We work to increase cultural programming, help drive arts education (particularly for the underserved), and support public art in public spaces.

who we are

EFA provides the following:

Cultural Events

Passport Events

EFA presents events in partnership with the City of Encinitas Arts Division that raise awareness and celebrate the diversity that exists not only in Encinitas, but also throughout San Diego County.

Encinitas Dia De Los Muertos

Drawing thousands every year with art demonstrations, Mariachi, and a "Community Ofrenda," a public recognition of family and friends, Dia de los Muertos is EFA's most popular cultural event.

Arts Education

Ballet Folklorico de San Dieguito

The Ballet Folklorico dance program provides dance education to socioeconomically disadvantaged students aged 7-16. EFA fundraising alleviates instructional costs and costumes, giving valuable access to dance education.

Public Art

EFA supports the efforts of local artists and community-based arts organizations as well as the City of Encinitas in integrating public art into the public spaces through advocacy and fundraising activities.
